Dear Jeff and Norberta,

Thanks to your membership support, many new enhancements have been possible at South Coast Botanic Garden this past year. We've opened a re-imagined Rose Garden, unveiled a 400 square foot Living Wall, and installed a new sculpture in the Mediterranean Garden, to name a few.

The Garden has never looked more spectacular, abuzz with activities for visitors of all ages and alight with botanical color all year round.

Your membership is now up for renewal, and I hope you will re-join today and continue to take part in the wide array of perks that come with every level of membership, including:

Hide and Seek: Art Meets Nature: This month we are excited to welcome *Hide and Seek: Art Meets Nature*, a new exhibition featuring eight exquisite works of sculpture on loan from LACMA.

The Great Pumpkin Hunt: Our fall tradition continues beginning on September 15 with an all-new adventure. Enjoy a brisk walk through the garden as you search for hidden pumpkins.

Member Twilight: Pack a picnic and a flashlight to explore the Garden after-hours at this all-member event. Guests can embark on the Great Pumpkin Hunt or journey through our many trails.

FREE year-round admission privileges, our quarterly magazine, a 20% discount on programs and classes like the upcoming screening of *The Nightmare Before Christmas*, free admission to the Fall Festival, Discovery Days, Adult Coloring Time and much more!

Now is also a great time to consider an upgraded membership level to enhance your Garden experience!

Sustaining members (\$300) attend the **Hot Toddies and Carolers** event and an exclusive field trip.

Garden Circle members (\$1,000 annually) participate at the **Farm to Table Dinner**, and a **Lunch and Learn** event in the spring.

Of course, your membership dues also help to ensure the Garden will be a resource to the community for many years to come. **There has never been a more exciting time to be a member of the Garden.**

I see that your previous level of membership included a Student/Teacher/Senior discount. The pricing below reflects your membership options with a discount already included. Upgrade to the Deluxe level and receive a free plush and tote, Guest Access Card, and unlimited FREE Tram rides.

Sincerely,

Danielle Lacharite Brown
Chief Development Officer

P.S. The Hide and Seek exhibition is here! Put on your walking shoes and embark on an artful adventure to find to find eight major works of sculpture, many on loan from LACMA, hiding in our Garden.
